**And that concludes the 2014 British Gas Welsh Age Group and Youth Championships for 2014, plenty of swimming, very good performances, some medals, a British Age Group qualifying time and plenty of PersonalBests.**

**Well done to the coaches for preparing the swimmers (Howard at Mold and Aled at Nofio Clwyd), thanks to the team managers (Angela Kelly and Sue Roberts), but most importantly thanks to the swimmers for the effort and commitment they have made during the year to get to this point and the performances they have delivered on the highest stage of Welsh swimming.**

**The achievements have been many from individuals performing at their first Welsh Nationals, getting to Welsh National finals, getting medals in Finals and qualifying for the British Nationals.**

Finally a special mention to both Ciaran Andrews and Amanda Kelly. In all likelihood this will be their last Easter Nationals with Ciaran sailing off to the sunset and Amanda off to University in the summer. Many thanks to them both for their efforts and their services to Mold Swimming club over the years and best wishes for their futures in and out of the pool.
